112 ▼ This is the kind of story I want to share with a grandchild on my knee when I'm old and gray. 2021, the year we stood with the greatest President of modern times to defend the republic.

It will be WILD!

Also don't be too hard on sooners; it is easy to get bummed out.

And for the record, Trump IS going to be inaugurated. 🙌

White House, short speeches and organizing, then March on the congress, I imagine. We still need to arrange our own The Donald coms, though. CB Channel 16, perhaps?

Some of us should go to Congress though.

Hopefully there's a few million of us and we can overwhelm Congress while still attending the protest rally.

80 million people voted for Trump.

If even one out of every one-hundred Trump voters show up that's 800,000 people.

If even 25% of them are armed that's 200,000 armed patriots.

If only 5% of them take action against traitors (assuming Biden is "elected" on the 6th), that's 10,000 people watering the tree of liberty.

It only takes one to make the first move, then 9,999 others follow. Then 199,999 others realize they have to follow. Then 799,999 quickly grab whatever they can find to help...

My wife is joining me. She doesn't believe everything I say and is open minded. Bring her along (with pepper spray) so she can see the warmth that this family can bring. Then leave before dark before the shit hits the fan.

Why does the last screenshot say its the "March for Trump Bus Tour"?

seriously, check the website. They want you to buy tickets to literally ride a bus?

edit: ok, I guess the bus tour is in days before Jan 6, going to Washington, then on the 6th is a rally itself, not a tour of dc in busses.

Because the video was produced by the march for trump bus tour people, not by trump or his campaign.

The march for trump people may be out to make a buck, but they are generally good people. They have been organizing all kinds of grassroots rallies for the president and have been involved in almost every one of the stop the steal events since the election.

I'd also like to add that given the sheer number showing up at these Million Maga Marches, I think very few of those people were from our forum. Like it or not, they've been organizing on facebook or elsewhere.

I couldn't find where I can buy tickets? I would definitely fly in to a state and take a bus with patriots to DC, tickets right now from where I live to DC have gone through the roof, but tickets to other cities are fine, like fly in to PA (I know, right? 🤔) and take a bus from there..

Fly into PA, vote a few times, then hop on the Amtrak to DC.

The Trump March bus tour heading for DC was in St Louis tonight and affirmed meeting at the White House ellipse on the 6th. It s not a bus tour of the White House.

1 Which means MSM will at first try to take pictures at 6:00 am to make it seem like nobody is there, while also having the doublespeak later that there is a dangerous amount of people there and to "social distance"
